## What is PetSmart Charities® of Canada?

PetSmart Charities of Canada is an independent, registered charity founded by PetSmart Inc. which currently works in partnership with 82 animal welfare organisations across Canada. Our vision is to find a lifelong, loving home for every pet. Our mission is to improve the quality of life for all companion animals, support programs that save the lives of homeless pets, and promote healthy relationships between people and their pets. Since our inception in 1999, PetSmart Charities of Canada has:

- Helped to save the lives of more than 45,000 pets through its support of more than thirty adoption centres in Canadian PetSmart stores.
- Donated over \$986,434 to animal welfare organisations across Canada, becoming a leading funder of animal welfare agencies in Canada.

More than 77¢ of every dollar we receive goes directly to animal welfare groups.

## You Can Help

There are many ways you can help us help homeless pets:

- **Adopt** – Make a homeless pet the newest member of your family.
- **Support** – Provide in-kind products or services from you or your company.
- **Donate** – Help fund spay/neuter, home retention, emergency relief and adoption centre programs. Each spring and fall we hold a fundraising campaign at every PetSmart store. Funds raised at each store remain in that community and are granted to local animal welfare agencies.

# SUPPORT

## Saving Lives Through Innovation

PetSmart Charities of Canada provides grants to local animal welfare organisations and supports programs that use technology, creativity and compassion to save the lives of homeless pets. Grants include proactive spay/neuter programs to address the problem of pet overpopulation, as well as adoption programs, collaborations, and other innovative efforts.

## Emergency Relief – Helping Pets When Disaster Strikes

Emergency relief funding assists companion animals in the event of fire, hurricane, flood and other natural catastrophes.

Emergency relief also aids pets affected by man-made disasters, such as pet hoarders and animal victims of violence.

Thanks to a grant from PetSmart Charities of Canada, MEOW Foundation of Calgary was able to give many homeless cats food, shelter, and permanent homes, including Corrina, mother of four young kittens.
