

Educational Programs Fast Facts

As a leading funder of the animal welfare industry, PetSmart Charities® brings people and resources together to help find a lifelong, loving home for every pet. It's our goal to move the field forward in education, and in practice, to positively impact the lives of pets across North America.

Webinar Program Bridges the Gap

- The PetSmart Charities Webinar program offers free, online seminars (for up to 100 people at a time) about a variety of topics, including the care of animals, funding opportunities, disease prevention, how to best market your animals and many more
 - Webinars help build and strengthen relationships between animal welfare workers and industry experts
 - Interactive sessions allow people to share knowledge, replicate best practices and plan integrated efforts to improve the lives of homeless pets
 - Sessions are recorded and archived on the Internet so interested parties can access prior sessions at any time
 - In 2006, PetSmart Charities hosted more than 75 webinars for over 4,000 animal welfare staff and volunteers
-

A Proud Educational Sponsor
