What is PetSmart Charities®?

PetSmart Charities, Inc. was established in 1994 as a registered 501(c)(3) nonprofit organization to champion the cause of saving the lives of homeless pets.

Since 1994, PetSmart Charities has become a leading funder of animal welfare agencies across North America, donating more than \$42 million to animal welfare programs and helping to save the lives of more than 2.6 million pets through its support of 850 adoption centers inside PetSmart stores.*

Our vision is to find a lifelong, loving home for every pet.

In 2005, more than 84¢ of every dollar we received went directly to animal welfare organizations.

You Can Help

There are many ways you can help us save homeless pets:

- **Adopt** – Make a homeless pet the newest member of your family.
- **Support** – Provide in-kind products or services from you or your company.
- **Donate** – Help fund spay/neuter, home retention, emergency relief and adoption center programs. Each spring and fall we hold a fundraising campaign at every PetSmart store. Funds raised at each store remain in that state and are granted to animal welfare agencies in that state.

SUPPORT

Saving Lives Through Innovation

PetSmart Charities provides grants to local animal welfare organizations and supports programs that use technology, creativity and compassion to save the lives of homeless pets. Grants include proactive spay/neuter programs to address the problem of pet overpopulation, as well as adoption programs, collaborations, and other innovative efforts. Some of our programs include:

- The Rescue Waggin'® - A transport program that moves homeless dogs from areas of high pet overpopulation to shelters in regions where adoptable pets are in demand. The program also provides spay/neuter funding to address the root of the problem.

- Emergency Relief - A funding program available to agencies assisting companion animals in the event of fire, hurricane, flood and other natural catastrophes. Emergency relief also aids pets affected by man-made disasters, such as pet hoarding and animal victims of violence.

Volunteers from HSUS and Humane Society SPCA of Bexar County of Texas aid an injured pet with the help of PetSmart Charities funding.
